- Adding reclaims to groups

Adding reclaims to groups

To add reclaim rewards to a group you simple have to add it to the reclaim.yml

see time formats by clicking here

```
Groups:
  vip:
    Reclaim_Time: 1 weeks
    Commands:
      - "give {player} diamond 1"
  ultra:
    Reclaim_Time: 1 hours
    Commands:
      - "give {player} carrot 3"
```
